

ASPIRE
The Placement Cell
College of Vocational Studies
University of Delhi
Annual Report (2019-20)

Dr. Gauri Misra
(Faculty Advisor - Placement Cell)

Rahul Sharma
(President 2019-20)

ABOUT ASPIRE

The link between dreams and success is that of aspirations.

ASPIRE: The Placement Cell of College of Vocational Studies, University of Delhi, aims at making opportunities available to students that take them towards a successful future.

Under the guidance of Dr. Inderjeet Dagar and Dr. Gauri Mishra, The Placement Cell has brought a lot of well-renowned companies for placements as well as internships to the college campus. The placement coordinators work tirelessly and selflessly to bring the best companies and job profiles to the college and their dedication ensures that Aspire is rated amongst the top placement cells of Delhi University.

Like the beaming rays of the Sun, ASPIRE brightens the path of all those hard working talented students who wish to pursue the field of their choice.

Study Trip to Indian School of Business (Mohali)

Ten students went on a study trip to ISB Mohali from 12/03/2020 – 15/03/2020, on a formal invite from Mr. Aditya Atreya (Admissions head), to learn from the most efficient placement cell in India and visit their campus to study about their teaching tactics, modern methods of dispersing knowledge and simply admire their excellent strategies to make future leaders.

We were mesmerized by the grandeur and beauty of their campus, and we got enlightened by the best staff present there for our assistance. We were offered breakfast when we arrived there, got amazed in an interactive session by three staff members who enlightened us on how to view our future not only as a career but as a choice to live better.

We also got to know several ways on how to direct our efforts at our own placement cell and turn it into an excellent organization for an impeccable institution.

We then were taken on a tour of the campus where we were shown the residence of staff & students, the classrooms, halls, auditorium, library, gymnasium, pool, etc. after which we ended up in the canteen for lunch before we had to part with our assistance staff and the enchanted campus.

CONCLUSION

Aspire would like to thank our very own principal, *Dr. Inderjeet Dagar*, our faculty advisor, *Dr. Gauri Misra*, our junior faculty advisor, *Mrs. Pavitra* & the college administration for making this session a fruitful one. It wouldn't have been successful without your support & guidance.

We have successfully converted **280 placement opportunities (from 223 unique companies)** in our session of 2019-20. Out of these 68 placement opportunities were for the alumni batches and 212 placement opportunities for our current batch of 2017-20. The number of students finally placed or who accepted the offers extended to them are 110 and many more offers were made.

We also converted a whopping **501 internship opportunities (from 417 unique companies)** in our session of 2019-20.

Aspire has taken many new initiatives to improve our placement threshold, which have undoubtedly yielded results. We extend our humble gratitude towards the placement coordinators whose selfless hardwork has made it all possible. Even at the onset of the current pandemic, coordinators are putting in their best efforts to keep the momentum going and making sure that every student gets placed.
